

SOUTH HOLLY CHURCH

Welcome!

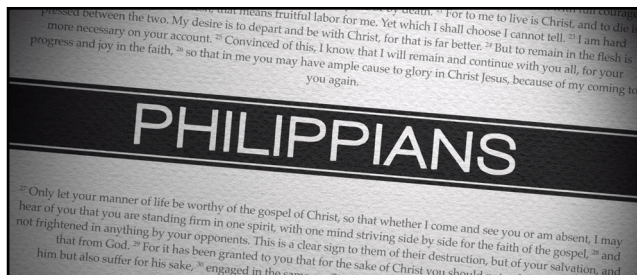

Mesmerized by money!

People between the ages of 21 and 40 are attracted to material possessions like no other generation before it, and this causes big problems for the church of the future. It has been said that the generation that believes in the Biblical tithe is in three places, nursing homes, assisted living spaces, and the grave.

The teaching to take a tenth of our life and give it to the church is almost gone. Baby Boomers and Baby Busters do not embrace the tithe. This is just another example of being Biblically illiterate and not understanding principles set in the Old and New Testaments. This is not as much the fault of those in the pews as it is those in the pulpit.

Where has the Biblical teaching on tithing gone? Today we examine the money and the mission tie inside the tithe.
