

# SOUTH HOLLY CHURCH

## Welcome!

The gospel message must be preached to all people, throughout all of history.

There are thousands of people who still have not heard the gospel message, not just in parts of Africa, and the deep South American Jungle, but across the street from where you live and work.

Less than 10% of those who live in Centennial, Aurora, Highlands Ranch, Littleton, Lakewood, and our surrounding areas say they are faithful followers of Jesus Christ! This is astonishing. People in our own cities do not know the Truth about Jesus and will not cross the threshold of a church to find out.

It is interesting how the gospel message begins in the book of Mark. Walk with us as we dive deep into these verses to see how the gospel is simple enough for a four-year-old to accept but profound enough to astonish the most accomplished believer.
