PURPOSE OF SMALL GROUPS

Small groups exist to promote spiritual maturity and personal growth through deep Christian relationships through the application of God’s Word. The goal is to care enough about each other enough to ask the BIG questions of life, such as, what is God doing in your life? What is He asking you to do about it? Then to walk with each other through sharing, caring and praying with and for each other.

**SHARING** – We come together each week to share God’s Word in our lives, and how His story is impacting our daily story.

**CARING** – We gather together each week to ask great questions and listen to understand other people, and what God is doing in and through their lives.

**PRAYING** – We meet together to pray together. Not just to speak to God, but to hear from Him each week in community, and daily individually.
